WHY PRAXIS FOR FPM?

FLEXIBLE, AICTE-APPROVED PROGRAM FOR PROFESSIONALS:

The FPM is a part-time doctoral-level program designed for industry professionals, academicians, and researchers. It is approved by AICTE and offers flexibility in duration (3–5 years) to accommodate working individuals.

STRUCTURED CURRICULUM AND RESEARCH FOCUS:

The program requires completion of 30 credits through coursework and seminars within 3 years (extendable by 1 year). It includes foundational modules like Research Methodology, Managerial Statistics, General and Stream-specific courses, followed by research and thesis phases.

STRONG RESEARCH ECOSYSTEM AND GUIDANCE:

Participants are assigned one or two internal research guides and must undergo regular progress reviews. Research areas span across Marketing, Finance, HR, Economics, Operations, and Data Science, supported by a diverse team of qualified faculty members.
