SUMMER INTERNSHIP PROGRAM

Praxis PGDM (2024 - 26) students have secured exciting Summer Internship Placements across top-tier companies and emerging startups. Students will intern with industry leaders like ICICI Prudential AMC, Colgate, Aditya Birla Capital, and HUL across diverse roles. Marketing continues to be the most sought-after domain, followed by Finance, Business Analytics, and HR.

- Organizations like Colgate have welcomed interns in niche Business Analytics roles, highlighting the program's tech-forward edge.
- Internzvalley and Ozara Fin opened up valuable Finance profiles, reflecting Praxis' strong industry alignment.
- Students also gained hands-on exposure with prestigious names like Tata Steel, FedEx, TSDPL, and Motilal Oswal.
- Startups such as Optifuel Enviro, Square One, and Kineto brought innovation-centric internship opportunities.
- Agile Capital Services, Apeejay Insurance, and Finacplus offered robust real-world learning in Finance and Analytics.

From market insights to consumer behavior, data storytelling to operational strategy – students are diving deep. With over 155 students placed, the Summer Internship 2025 season is a strong testament to Praxis' industry readiness!

Praxis Business School pioneered full-time Business Analytics education in India. Today, it continues to lead by seamlessly integrating Artificial Intelligence into its programs and pedagogy.

Praxis Leverages AI in two key ways.

- Equipping students with AI literacy, fluency, and for the select few deep expertise—through AI-integrated courses, specialization in Business Analytics and Data Science, and cutting-edge subjects like Generative AI in Management.
- Additionally, Praxis uses AI to enhance teaching and learning—designing industry-aligned curricula, enabling data-driven assessments, and creating engaging learning experiences.

Students are encouraged the use of AI tools for foundational analysis, and mentored to build on this by critiquing outputs and applying insights to real-world contexts.

The goal is to prepare students not just to use AI, but to think critically and responsibly in an AI-powered world. At Praxis, AI is not just a subject—it's a mindset woven into the learning journey.
