DIRECTOR'S MESSAGE

“

Dear Esteemed Recruiter,

Greetings from Praxis Business School!

As we proudly enter our 19th year of shaping future leaders, it gives me great pleasure to invite your organization to participate in the recruitment process for our Post Graduate Diploma in Management (PGDM) students.

Praxis has always stood at the intersection of business and technology, committed to preparing professionals who can thrive in a rapidly evolving world. Our PGDM program is now approved by the All India Council for Technical Education (AICTE), accredited by the National Board of Accreditation (NBA), and officially recognized as equivalent to an MBA by the Association of Indian Universities (AIU). These recognitions are a testament to our academic rigor, relevance, and quality.

We continue to evolve as a business school deeply attuned to the emerging technological landscape. Our curriculum integrates key developments in Artificial Intelligence (AI) and Generative AI (GenAI), ensuring that students are not only equipped with strong managerial foundations but also the technological fluency required in today's workplaces. This forward-looking approach distinguishes our graduates and prepares them to lead in data- and tech-driven environments.

In addition to offering the traditional specializations expected in any MBA program, we provide a distinctive specialization in Business Analytics. This specialization draws on the strength of our highly acclaimed Post Graduate Program in Data Science — a pioneering program that has long been a flagship offering at Praxis. The expertise and insights developed through this program enrich our PGDM curriculum and provide students with a unique competitive edge.

The current batch of PGDM students represents a diverse and dynamic group with solid academic grounding, practical problem-solving skills, and the ability to adapt to real-world challenges. Through a blend of classroom learning, industry exposure, and project-based application, our students develop into professionals who are ready to contribute meaningfully from day one.

We warmly invite your organization to engage with this talent pool through our recruitment process. We are confident that you will find in our students the competence, commitment, and creativity required to drive your business forward.

We look forward to building a meaningful and enduring partnership with your organization.

Warm regards,

Prithwis Mukerjee, PhD

Director

Praxis Business School

FOUNDER'S MESSAGE

“

Dear Recruiter,

I am pleased to invite you to participate in the Campus Placement Process at Praxis Business School for the PGDM Class of 2026.

Praxis is Greek for translating theory into practice—and that philosophy defines our learning ecosystem. We encourage questioning, discussion, debate, and collaboration, supported by faculty who blend strong academic rigor with deep industry experience.

The result is graduates who know not just what to think, but how to think and how to learn—curious, confident, resilient, and ready for a fast-changing digital world.

Praxis is an AI-first business school. Along with dedicated courses in GenAI, Business Analytics, and Data Science, we embed AI across disciplines so students can apply AI tools in every functional area.

I invite you to meet the Praxis Class of 2026 and discover talent ready to contribute to your organization's growth and transformation. I look forward to building an enduring association with you.

Cheers!

With a lot of pride and warmth.

Charanpreet Singh,
Founder, Praxis Business School

VISION, MISSION & PRAXIS TIMELINE

OUR VISION

To become a trusted and influential management education institution that is equipped to make a compelling difference to the business world and the community.

OUR MISSION

- Address the need for creating industry-ready professionals who will have an analytical and sustainability-driven approach to problem-solving.
- Offer an education experience founded on strong core values built on the twin pillars of theory and practice.
- Foster academic excellence in cutting-edge areas through learning and research.
- Contributes towards learning opportunities for the rural and weaker sections of the society to make them equal participants in the digital world.

ABOUT **PRAXIS**

Praxis Business School is a premier institution dedicated to building future-ready leaders for the digital age.

Established in 2007 in Kolkata, Praxis blends the rigor of academics with the relevance of industry to offer transformative education in management, data science, and digital technologies.

At its core, Praxis stands for purpose-driven learning—equipping students not just with knowledge, but with the ability to think critically, act ethically, and lead confidently in an ever-evolving world.

The institution offers NBA accredited, AIU certified, AICTE approved full-time Post Graduate Diploma in Management (PGDM) and Fellowship Program in Management (FPM).

With strong placement support, a collaborative campus culture, and a commitment to lifelong learning, Praxis is where ambition meets action.

EVENTS AT PRAXIS

At Praxis, learning extends beyond the classroom through a vibrant calendar of student-led events that foster leadership, collaboration, creativity, and real-world problem-solving.

FOUNDATION DAY

Foundation Day at Praxis is more than an anniversary—it's a moment to pause, celebrate the journey we've built together, and renew our commitment to shaping thoughtful, future-ready leaders. It matters because it connects every batch to a shared story of values, learning, and community.

RANGMANCH

An exclusive cultural platform for first-year students to showcase creativity, build confidence, and bond through performances and event planning.

SPARDHA

The annual inter-college management fest draws 400+ students from 60+ institutes, including IITs and IIMs. Events span business cases, quizzes, debates, cultural acts, and sports—giving participants an opportunity to showcase their talent and teamwork.

KHOJ

Khoj is Praxis Business School's annual inter-house event that promotes competition, collaboration, and creativity among three houses: Nalanda, Takshashila, and Ujjaini. It features contests that test intellect, talent, and teamwork, embodying the Praxis spirit of learning and leadership.

SAMVAAD - HR CONCLAVE

Samvaad 2024 was held around the theme "Creating AI-Ready Professionals," reflecting Praxis's dedication to fostering a future-ready, AI-empowered workforce. The event included discussions by industry leaders and academics on AI's impact on the workforce, featuring speakers from, among others, Colgate GBS, Tata Steel, and IBM.

ABOUT THE **PGDM PROGRAM**

2-year full-time program | Kolkata

Praxis is the top-ranked PGDM college in Kolkata, which offers the best PGDM course with placement support. Praxis fosters future leaders for India's digital transformation, emphasizing values, diversity, tech proficiency, effective communication, and agility. The PGDM equips students with essential skills and management perspectives for leadership in a digital, competitive world, offering a supportive environment for learning and personal growth through hands-on experience and open discourse.

Curriculum Framework

The PGDM program at Praxis Business School is designed to nurture future-ready business leaders. It blends core management principles with emerging areas like digital transformation, analytics, and technology-driven decision-making. The curriculum emphasizes values, diversity, communication, and leadership agility—ensuring holistic professional development.

Academic Calendar

The academic journey is spread over six trimesters across two years, with each term combining classroom learning, projects, and industry interactions. The calendar is thoughtfully designed to balance academic rigor, internships, and extracurricular engagement.

Program Duration

Praxis offers a two-year full-time PGDM program conducted at its Kolkata campus. The program is AICTE-approved and structured to provide rigorous academic learning alongside practical exposure, preparing students for leadership roles across industries.

Learning Approaches

Praxis fosters experiential and collaborative learning through case studies, live projects, simulations, and workshops. The emphasis is on hands-on experience, peer learning, and open discourse—helping students develop critical thinking, adaptability, and effective management perspectives.

CLUBS AT PRAXIS

Praxis Business School fosters holistic development through a vibrant ecosystem of student-led clubs and societies. These platforms offer hands-on learning, peer collaboration, and leadership opportunities across diverse interests and domains.

Marketing Club

Where creativity meets strategy! The club dives into branding, consumer behavior, and campaign building through real-world simulations and case challenges.

Entrepreneurship Club

Igniting ideas and innovation—this club nurtures aspiring entrepreneurs through workshops, startup mentoring, and pitch competitions.

Art & Culture Society

A space to express and celebrate creativity! From cultural fests to art showcases, this club brings colors, rhythm, and stories to campus life.

Finance Club

The hub for finance enthusiasts—exploring markets, investments, and analytics through sessions, stock simulations, and expert interactions.

HR Club

Building connections that matter. Be-Hive promotes learning in people management, leadership, and workplace dynamics through interactive events.

CSR & Social Impact Club

Driving change with compassion. The club leads social initiatives that create awareness, community engagement, and sustainable impact.

Public Speaking & Argumentation

Sharpen your voice and your views! This club hones confidence, logic, and articulation through debates, discussions, and storytelling events.

Sports & Fitness Activities

Encouraging a healthy mind in a healthy body—organizing tournaments, fitness drives, and sports fests that keep the campus active and united.

Quizzing & General Knowledge Club

Fuel your curiosity and competitive spirit! The club hosts quizzes, trivia nights, and knowledge marathons across diverse domains.

Admissions Committee

The face of Praxis for prospective students—AdCom coordinates outreach, interviews, and events that shape the next generation of Praxites.

Digital & Tech Club

Exploring the world of data, AI, and digital innovation. This club bridges business and technology through hackathons, webinars, and projects.

CONVOCATION

A Milestone, A Message

Convocation is a proud moment of closure and beginning—where students graduate with confidence, families celebrate sacrifice rewarded, and faculty, alumni, and recruiters reaffirm the quality of the Praxis journey.

It's a time for creating memories, pledging life-long friendships, acknowledging contributions of parents, families and professors, and cherishing the culmination of 2 years of hard work and commitment.

Praxis Business School has been fortunate to host outstanding Chief Guests over the years; their stature and ideas set the tone of the ceremony and, in many ways, define its quality by what they bring to the table.

SAMVAAD 2024 – PRAXIS HR CONCLAVE

Theme: Creating AI-Ready Professionals

On December 13, 2024, Praxis Business School hosted the inaugural edition of its HR Conclave, Samvaad 2024, focusing on the theme “Creating AI-Ready Professionals.” The event brought together industry leaders, academicians, and policymakers to discuss the evolving intersection of AI and the workforce.

Esteemed speakers included Devendra Pagnis (Colgate GBS), Sandeep Kumar (Tata Steel), Prof. Shabina N. Omar (Govt. of West Bengal), and leaders from Cognizant, IBM, KPMG, and more. The conclave featured keynote sessions and panel discussions on AI’s impact on employment, industry-academia collaboration, and AI-driven education.

Samvaad 2024 reinforced Praxis’s commitment to bridging education and industry—highlighting the need for collaboration in building a future-ready, AI-empowered workforce.

INDUSTRY EXPOSURE & ACHIEVEMENTS

At Praxis Business School, industry relevance is at the heart of our pedagogy. We combine rigorous academics with real-world exposure to equip students with future-ready skills and strong career outcomes.

► Robust Campus Recruitment

Praxis's Placement Program is rooted in rigorous preparation and deep industry engagement. In 2023, over 60 recruiters visited campus, offering roles across diverse domains—from business analytics and finance to consulting and technology.

► Strong Industry Connect

Praxis maintains close ties with top corporates across sectors—inviting CXOs, HR leaders, and alumni to mentor, recruit, and co-create curriculum. Students benefit from regular guest lectures, live projects, and capstone experiences designed with industry input.

ALUMNI AT PRAXIS

The Praxis alumni network is a vibrant, growing community of professionals making an impact across industries and geographies. To celebrate this bond and foster continued engagement, we host Alumni Meets in key cities including Delhi, Kolkata, Mumbai, and Bangalore. These reunions offer a platform to reconnect, share experiences, and strengthen the Praxis spirit—creating lasting professional and personal connections across batches and domains.

OUR ALUMNI: MAKING THEIR MARK ACROSS INDUSTRIES

Praxis alumni are driving impact across leading organizations in India and abroad—spanning sectors like consulting, analytics, finance, technology, FMCG, and more. Their success reflects the strength of our industry-aligned education and values-driven leadership. From global giants to high-growth startups, our alumni are shaping the future—one bold decision at a time.

WHAT MAKES PRAXIS DIFFERENT

AI-First by Design

Praxis is an AI-first institute. AI is embedded in our curriculum design, classroom delivery, projects, and assessments—and in how faculty, industry mentors, alumni, and the placement team collaborate to keep learning relevant and rigorous.

Future-Focused Curriculum

A digital-native PGDM that builds business fundamentals with analytical thinking, tech fluency, and communication. Choose specializations across Business Analytics, Marketing, Finance, HR, Operations, and Digital Business—refreshed to reflect evolving tools and practices.

Pedagogy That Builds Capability

Experiential, discussion-led learning: cases, labs, simulations, live projects, hackathons, and a mandatory SIP. Continuous assessment—quizzes, assignments, group work, presentations, and participation—rewards application over rote learning.

Faculty + Industry Access

Learn from accomplished faculty and seasoned practitioners. The Distinguished Speaker Series brings senior corporate leaders for candid interactions, industry projects help students learn to solve real world problems.

Nimble and Agile

Praxis is structured to respond quickly to changing business imperatives—vital when technology and the world order are shifting fast—so curriculum and industry engagement stay current and outcome-driven.

PEDAGOGY & ACADEMIC HIGHLIGHTS

Praxis's PGDM is a **two-year, full-time program** built on a foundation of **practical, industry-led learning**:

Experiential pedagogy:

A blend of lectures, case studies, lab sessions, guest lectures, live projects, and a mandatory **Summer Internship Program (SIP)** to apply learning in real-world settings.

Continuous assessment:

Regular evaluation through open-book exams, group tasks, quizzes, assignments, and class participation to foster critical thinking over rote memorization.

Cross-functional strength:

Faculty teams include academics from top B-schools and seasoned industry veterans, supported by guest mentors from PwC, ICICI Bank, IBM, and more.

Curriculum co-created with industry:

Course content is continuously refined to reflect real-world trends and tools, ensuring 25% annual updates in specialized tracks.

Praxis blends **rigorous academics, hands-on tech training**, and **industry partnership** to shape agile, analytical, and ethically grounded leaders ready for tomorrow's challenges.

“

**Chase your
Dreams with
Intensity.**

CURRICULUM - YEAR 1

First Year

The PGDM is a two-year, full-time program and includes a two-month summer internship program (SIP).

The first-year courses are compulsory for all the students and educate them on the essential functions of business enterprises. In response to the rapidly changing demands of the industry, the first-year curriculum has been redesigned to include courses that address emerging skill areas:

Core Courses

Marketing

- Marketing Management 1
- Marketing Management 2
- Marketing Research
- Sales & Salesforce Management

Data Science

- Data Visualization & Storytelling
- Foundation of Digital Business + IT
- Excel for Managers

Quantitative Techniques

- Quantitative Techniques 1
- Quantitative Techniques 2

Management Theory

- Business Ethics
- Macroeconomic theory and Policy
- Managerial Economics
- Strategic Management/ Sustainability
- Managerial Communication

Human Resource

- Human Resource Management
- Organizational Behavior

Finance

- Business Law
- Cost & Management Accounting
- Financial Management 1
- Financial Management 2
- Financial Reporting & Analysis
- Foundation of Fintech

Production Management

- Production and Operations Management 1
- Production and Operations Management 2

Curriculum Design & Delivery

The Praxis PGDM curriculum strikes a fine balance between theory, practical application, and skill-building. Designed in close collaboration with industry, it evolves continuously to stay relevant and future-focused.

Courses are delivered through a dynamic mix of lectures, case studies, lab sessions, and projects—led by faculty with strong academic and industry credentials. The classroom is an active space for debate, collaboration, and critical thinking.

Assessment is continuous and outcome-oriented, with open-book exams, projects, quizzes, and class participation that emphasize thinking over memorization.

CURRICULUM - YEAR 2

Second Year: Specializations & Super-Specializations

In the second year of the PGDM programme, students specialize in one or more traditional business functions and/or acquire new-age, digital-ready skills aligned with industry needs. Praxis also offers **job-focused super-specializations** designed to build deep functional expertise and ensure strong industry readiness.

The objective is to help students strengthen capabilities in areas aligned with their interests and aptitude, enabling them to be **productive from Day One**. Students have the flexibility to choose electives across functional domains, allowing for a customised and career-oriented learning pathway.

SUMMER INTERNSHIP PROGRAM

At the end of the first year, all the PGDM students pursue a two-month internship with a business enterprise.

The Praxis Placement Program invites companies to conduct the campus summer internship selection process and select interns. The internship provides the students first-hand experience of the business world – the application of the principles of business management they have learned over the past year.

PLACEMENT READINESS PROGRAM

Career Direction & Profile Building

Structured role mapping and career orientation supported by resume and LinkedIn clinics, portfolio and project positioning, and training in professional etiquette and workplace readiness.

Summer Internship Program (SIP) Success

Students are paired with corporate professionals and faculty mentors for continuous guidance throughout the Summer Internship Project. This ensures alignment with business expectations, enables timely mid-course corrections, strengthens problem-solving and communication skills, and enhances the likelihood of PPOs and final placements.

Selection Process Readiness

Comprehensive preparation through aptitude training (quantitative, reasoning, and verbal), group discussion workshops, personal interview bootcamps, and mock interviews with structured feedback. Additional focus on guesstimates, case discussions, and presentation drills.

Industry Immersion & Hiring Alignment

Distinguished Speaker Series and Alumni Connect sessions with senior corporate leaders, alumni, and recruiters. Includes company-specific briefings, role expectation insights, and targeted mentoring to sharpen role fit, confidence, and on-campus performance.

WHY HIRE FROM PRAXIS

- **Day-1 Ready, Digital-First Professionals**

Praxis PGDM graduates are built for a digital, data-driven business world. The two-year AICTE-approved, NBA-accredited program blends rigor with practical exposure—so students can handle complex, cross-functional challenges from Day 1.

- **Strong Thinkers. Fast Learners. AI-Ready.**

Our students are trained to think clearly, learn quickly, and communicate effectively. They don't just execute tasks—they question assumptions, understand the business "why," and solve problems with structure and creativity. Immersed in an AI-first ecosystem, they're ready to navigate and lead with responsibility in an AI-driven world.

- **Proven Outcomes, Strong Employer Confidence**

With specializations in Business Analytics, Digital HR, Marketing Intelligence, Digital Operations, and Financial Risk Management, graduates deliver measurable impact. Our alumni have built strong careers across industries, and many recruiters come back year after year—real repeat hiring that reflects consistent quality and fit.
